School is a microcosm of society.

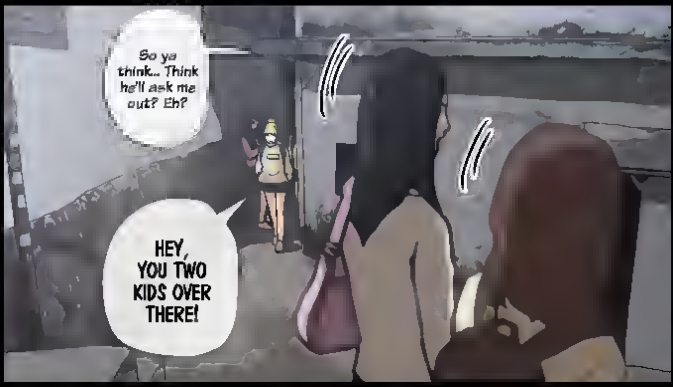
That's why you see a variety of people.

Ordinary, everyday, average students.

Model students.

So, what about Cabbage Guy? Think he's interested in me?
Absolutely! He was totally checking you out all through class! Ke-ke-ke
Ya think? Tee-hee

Airhead bimbos.



So ya think... Think he'll ask me out? Eh?
HEY, YOU TWO KIDS OVER THERE!

CAN YOU COME HERE FOR A SEC?

Ijin.*

*T/N: iijin is a special concept in Korea. It refers to a popular, athletic, gang type guy. They're depicted in this comic smoking, bullying, drinking, and rebelling against authority, but the whole "iijin" thing goes much beyond that.

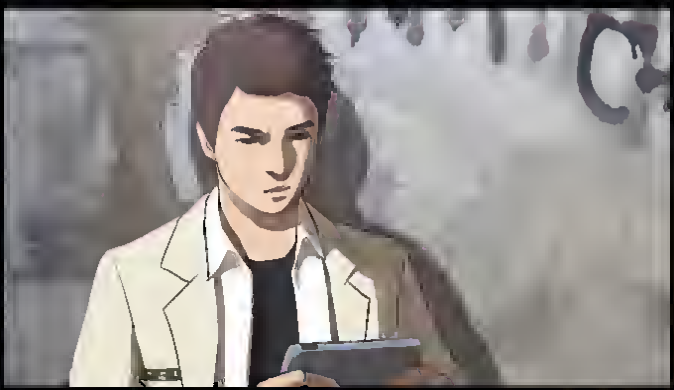
HEY LOOK! MY SKETCHBOOK HAS A HUNDRED POSES OF MIKU-CHAN THAT I'VE DRA-!

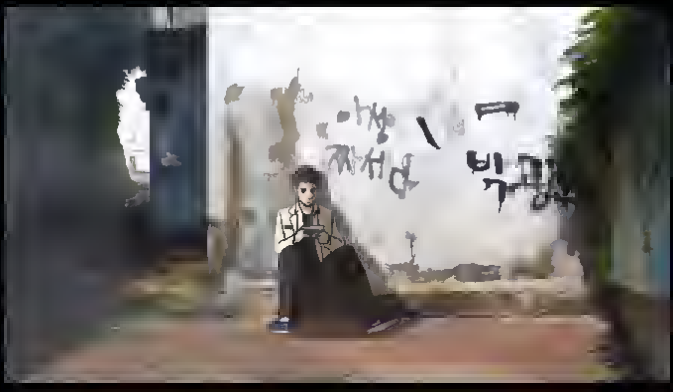
Otaku.

And...

Nutjobs like these.

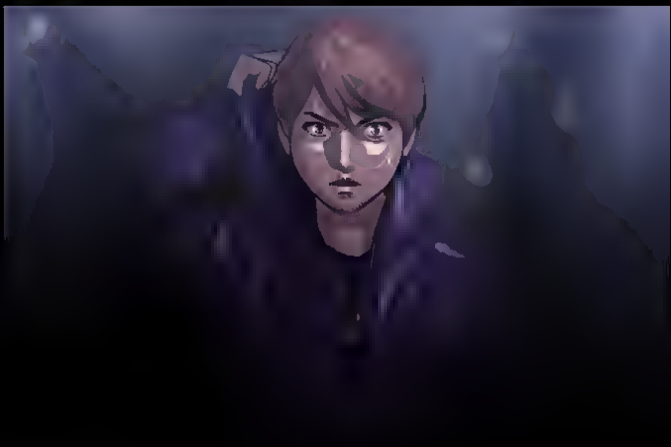
Those with a dream...





...and those without.

Those who put it into action...



...and those who get inspired.

Youth is a blank piece of paper,
and your whole life can change,
depending on whatever's drawn.

If I were god,
I would have put youth at
the end of human life.

- Anatole France*
